

Item# 67046 - 10 ml

## SACRED PLACE™

We honor ourselves when we designate our environments as sacred places. This formula nourishes and supports both the chi of the environment and our personal chi. Sacred Place™ blend creates a positive energy base once the cleansing has taken place. Sacred Place™ contains oils that have a very high frequency energy that it imparts into the environment.\*

**INGREDIENTS:** Juniper, grapefruit, cedarwood, myrrh, neroli, rose, and other pure essential oils.
